# About Your Instructor

#### Marijn Overvest

Your instructor for this course is Marijn Overvest, the Founder of Procurement Tactics. With over 15 years of experience, Marijn has worked on deals worth over €500 million with companies like Heinz and Unilever and has trained more than 200 procurement teams worldwide.

Marijn is passionate about helping procurement professionals learn and grow. He is always looking for new ways to improve his own knowledge and share what he's learned. His experience includes working on negotiations, sustainability, and building strategies in industries like FMCG (retailers and suppliers), aviation, and pharmaceuticals.

With Marijn's practical advice and stories from personal experience, you will learn how to improve your procurement skills and achieve better results for you and your company.

# Learn in-demand skills

And take your career to the next level

### Study objectives

#### **Shaping the future of Procurement**

Dive into the core of procurement planning, understanding the difference between strategic and emergent strategies, and how to craft a roadmap for success.

#### **Unlocking Procurement Potential through Analysis**

Learn to critically analyze both the internal and external environments affecting procurement. Get a grasp of your organization's internal dynamics and the broader business landscape to make informed decisions.

This course is the ideal match for procurement managers and specialists looking to boost their career through improved strategy, analysis, ethics, and global insight. After completing this program, you will be able to lead procurement with expertise in strategy, ethics, and global competitiveness, paving the way for career growth.

#### Leading with Integrity in Procurement Management

Explore the principles that guide responsible procurement practice. Focus on ethical considerations, stakeholder engagement, and governance to ensure transparent, accountable, and sustainable processes.

#### Navigating Global Challenges in Procurement

Understand the dynamics of global competition and the various developments that can influence strategic management in the procurement sector. Equip yourself with the knowledge to compete and collaborate on an international stage.

## Curriculum structure

Practical. Comprehensive. Game changing.
